

# ***Secondary Series on Differentiated Instruction***

***This FREE Educational Opportunity is sponsored by  
Region 10 - State Support Team***

## **Day 1: Middle and High School Differentiated Instruction for Secondary Educators**

**Presented by: Eric Combs, Susan Bell and Ann Beeman, Fairborn City Schools**

**Saturday, September 18, 2010**

**8:00 a.m. - 3:00 p.m. (1 hour lunch on your own)**

Differentiation provides different avenues to acquire content, process ideas and develop products so that students can learn effectively. It is a classroom approach that addresses and honors the many learning styles of students. By presenting different strategies, teachers will be able to plan future lessons that will touch on different modes of learning. Tiered lessons, story-telling and tools for randomizing participation will be presented. Methods presented include the following: brain based learning; Garner's multiple intelligences; DI matrix lesson planning; and story telling.

## **Day 2: Middle and High School Differentiated Instruction Part 2 - More Strategies to Engage Secondary Students**

**Presented by: Eric Combs, Fairborn City Schools**

**Saturday, November 13, 2010**

**8:00 a.m. - 3:00 p.m. (1 hour lunch on your own)**

Discover more strategies dealing with kinesthetic and social learning. Detailed lessons on project-based learning and extending student knowledge at all levels will be shared. Some of the methods to be presented include the following: synectic journey; student as teacher; brainstorming and nominal group technique (Ordo Ab Chao); hot seat; classroom jobs; Uber-questions; concentric circles; and service learning.
